The discovery of oil transformed Abu Dhabi from a fishing village into a thriving modern metropolis with futuristic skyscrapers, luxury hotels with a sharp contrast of museums, mosques, and bazaars. Muscat is one of the Middle East's oldest cities with beautifully manicured parks, long, unspoiled stretches of beach, and an ancient stone moat that surrounds the area. Dubai is a unique blend of the old and new with "7-star" luxury hotels, the malls of Jumeirah as well as ancient souk markets selling spices.

Panama

Canal Cruise, Rainforests & Beaches

Jan 31 - Feb 7, 2017

\$1,493.00 per person/dbl

Escorted by Monica Marshall

Join us on this wonderful all-inclusive tour of Panama! The Panama Canal is one of the greatest feats of engineering the world has ever seen. The Canal is 48 miles long, was 17 years in the making and had enough rock and rubble dug from the isthmus of Central America to circle the earth four times. But as awe-inspiring as the "big ditch" is, it's still only a tiny sliver of what Panama has to offer. Away from the commerce and concrete of the canal, the country is teeming with rain forests, beaches, indigenous people and colonial history. Tour includes 2 daytime cruises on the Panama Canal, one through the canal locks and another cruise on Gatun Lake. Includes visits to the Canal Museum at Miraflores, Museum of Biodiversity, Panama Canal Expansion Observation Center, Embera Indian Village, open air frog garden, Kuna Indian marketplace, 3-nights Panama City, 2-nights Gamboa Rainforest Resort, 2-nights Playa Bonita. Includes all meals and taxes. Airfare additional.
